Dear [REDACTED]
Everything ok here. I hope everything's well on your side too.
I think it would indeed be good to plan this. Would you see a possibility to do this in June? If so, I could try to find a slot for this.
Best

Antoine

Dear Antoine

I hope you are safe and well.

Is now the time to follow up on the below exchange and plan for a (Skype) meeting with the VP?

Thanks and regards

Dear [REDACTED],

I'm following up on your recent discussion with Diederik on setting up a possible meeting between EVP Timmermans and a group [REDACTED] of the chemical industry.

In our view, it would be useful to set up such a meeting to address the various dimensions of the Green Deal relevant to your sector.

In terms of diary, we were thinking May or June.

I'd be grateful for your views on this.

Best regards,

Antoine
