Dear [REDACTED],

Thank you for your kind mail and hope that all is fine with you and your beloved ones.

We would like to confirm a virtual/online meeting with Executive Vice-President, Mr Timmermans on **11 June at 15h30** if also suitable for you.

What would be your preferred option of a web-meeting?

We could propose you a Webex video-call conference (a tool that is used by the Commission) and if you prefer to go for that option, we would need the full e-mail addresses of the participants on your side in order to set it up.

For transparency reasons all entities/organisations which have meetings (even virtual ones) with Commission staff should be **obligatorily registered in the Transparency register**.

If your entity is still not registered, we kindly invite you to do so. This is a very easy and quick process: <https://ec.europa.eu/transparencyregister/public/ri/registering.do?locale=en>

Please note that the Commission staff cannot meet entities/organisations which are not registered in the Transparency register.

Could you please kindly check and let us know?

Thank you in advance and looking forward to your feedback.

Kind regards,

[REDACTED]

Cabinet of Executive Vice-President Frans Timmermans

Dear [REDACTED]

Everything ok here. I hope everything's well on your side too.

I think it would indeed be good to plan this. Would you see a possibility to do this in June? If so, I could try to find a slot for this.

Best

Antoine

Dear [REDACTED]

I'm following up on your recent discussion with Diederik on setting up a possible meeting between EVP Timmermans and [REDACTED] the chemical industry.

In our view, it would be useful to set up such a meeting to address the various dimensions of the Green Deal relevant to your sector.

In terms of diary, we were thinking May or June.

I'd be grateful for your views on this.

Best regards,

Antoine
