Subject: EBA study on cost of compliance with supervisory reporting

Dear [REDACTED]

I hope that all is well with you.

I am attaching a short letter regarding the EBA's study on the cost of compliance with supervisory reporting. As you will see, AFME and its members are very positive about the work done by the EBA in this area, but to ensure a high quality submission would appreciate a longer period to respond to the request for data and case studies than that currently envisaged.

Kind regards,

[REDACTED]
