RE: TikTok -Request for Mandate

Dear [REDACTED]

I hope this email finds you well. Thank you for sending the documents to the Secretariat for the Secretariat, I am about to send the draft letter in reply to MEP Körner, as well as the Infonote, so that both documents can be discussed in the same time in the Plenary next week.

I just had a question: I noticed that in the Infonote that you prepared for the taskforce, it is written:

[REDACTED]

Thank you very much in advance, I am of course available should you wish to discuss this further,

Best wishes,

[REDACTED]: TikTok -Request for Mandate

Dear Secretariat,

Following our email to the Chair's team (enclosed for your information), we would like to kindly ask you if you could share the attached documents with the Plenary, in view of next week's meeting. They are a request for a mandate to set up the TikTok taskforce and the corresponding terms of reference, which were put together by the members involved in it (

Given the short timeframe, we haven't filled in the header with the corresponding point in the agenda. If it would be ok with you, could we kindly ask you to fill it in for us before sharing it with the Plenary? Thank you very much in advance for your help with this.

Should you have any queries, please do not hesitate to contact us.

Kind regards,
