

## Update on the Tik Tok taskforce ongoing works

During its 31st plenary session, the EDPB decided to establish a taskforce to coordinate potential actions and to acquire a more comprehensive overview of TikTok processing and practices across the EU.

To date, the authorities that take part to the taskforce are the [REDACTED] [REDACTED]  
[REDACTED]

The taskforce has to refer both to the SOCM the [REDACTED]

After the approval of the mandate and its publication in the EDPB press release, the Tik Tok taskforce acted very quickly, so a first video-call was scheduled on June, 30<sup>th</sup>.

During the call, the following two issues were discussed:

1.

[REDACTED]

2.
