Dear Members of the Steering Board,

Please find attached the agenda for the Steering Board of tomorrow.

Kindly note that there has been a swap between the Steering Board and COVAX meetings, namely that:

- 1) The meeting on **COVAX** will take place from **12h00 to 13h00**
- 2) The **Steering Board** meeting will take place from **13h00 to 14h30**.

Since you were in the original invitation list for the COVAX meeting , you have already been automatically notified by this change by email. However, if you have extended/forwarded the COVAX invitation to other colleagues, please note that you have to notify them yourselves about the change in timing.

Please also be reminded that the extra participants to the COVAX meeting will have to sign the attached declaration on confidentiality (if they have not yet done so).

Also find attached, for information, a technical report from the ECDC providing an overview on the EU/EEA and UK vaccination deployment plans for COVID 19 Vaccine.

Kind regards,

EC Vaccines team
