**Subject:** Our comments

Dear colleagues,

Please find enclosed our edits. I would note in particular

- the proposed language for [REDACTED]
- the [REDACTED]
- the [REDACTED]
- the [REDACTED] annex has not been reviewed as I sent you comments separately
- Annexes [REDACTED] are still missing.

The [REDACTED] as we will have to present the contract to a meeting of all Member States in the afternoon CET tomorrow and we will have to explain it. [REDACTED] It would be very important if you could confirm by around 11am CET tomorrow that on your side there are no outstanding issues and that you are able to provide us with a complete clean text including all annexes. I will wake up early tomorrow morning to check my mails should there be any open issues. Just in case: my cell phone is [REDACTED]. With a bit of luck and endorsement by all Member States, we might be able to proceed with adoption by the Commission either on Wednesday or Thursday but for that we obviously need an agreed text. Should a minor typo like issue emerge later, we can still fix it prior

to signature.

For the avoidance of doubt, unless we have commented on your edits, we agree with them.

Let's now give it the last push!
