Subject: Your application for access to documents – Ref GestDem No 2013/4831

Dear Mr. Dohle,

I refer to your e-mail dated 29/09/2013 in which you make a request for access to documents, registered on 30/09/2013 under the above mentioned reference number and to our holding reply ARES (2013) 3306793 dated 22/10/2013.

In a spirit of cooperation, the Commission provided you access to the final report of the project “Improving the organisational effectiveness of the child protection system in Romania” (GestDem No 2013/4177). You are now requesting more information about the activities carried out in the project (a narrative report). The Commission is not in the possession of any additional documents, which may be in the form of studies, training materials etc. In the case of ESF projects, the beneficiaries have the legal obligation to report to the Managing Authority and not to the European Commission. Considering the fact that these documents do not belong to the European Commission and do not fall under the provisions of the (EC) Regulation 1049/2001 regarding public access to European Parliament, Council and Commission documents, I advise you to contact directly the Managing Authority for the Operational Programme "Administrative Capacity Development for Romania 2007-2013" (OP ACD) in order to receive these documents.

Please find below the contact details of the Managing Authority for the Operational Programme “Administrative Capacity Developing for Romania 2007-2013”
