Dear Mr. Colombani,
As kindly advised by Mrs. [REDACTED], we would hereby like to follow-up the meeting between EVP Timmermans and [REDACTED].
At their Video meeting, EVP Timmermans had invited [REDACTED] for a follow-up meeting end of June, possibly in person or as video, depending on the Covid-19 developments.
[REDACTED] asked us to contact the office of EVP Timmermans on when this meeting could be arranged. This is why I contact you hereby. Maybe June is somewhat soon now; would it maybe be possible to arrange their follow-up meeting in July?
That would be also a great timing, as by end of June our new *ArcelorMittal Roadmap to 2030 30% carbon emissions reduction* will be published, on the road to carbon neutrality. It could be a practical addition for their follow up discussion on investments in these technologies – in Europe.
Kind regards,
[REDACTED]

Dear Antoine,

Many thanks. Maybe it can be postponed to a time with a video later when that will be installed. I understand some communications are there in the Commission with "Webex", maybe that is an option for later?

Kind regards,

Dear [REDACTED]

Sorry I have to correct my previous email – I've just learnt that actually it's no longer possible for Mr. Timmermans on that day even by phone call. Our sincere apologies for this. [REDACTED] (in copy) will be in touch about this.

Best regards

Antoine
