Re: Ares(2020)3038532 Consultation for a possible extension of the
application period of the Commission Decision 2020/491

Dear Mr. Kermode,

Thank you for the opportunity to comment on the possible extension of Commission Decision
491/2020.

In order to effectively combat the COVID-19 crisis, **Spain would like the Decision to be extended.**

The availability of medical and protective material does not seem to have reached a satisfactory level,
specially in case of a potential second wave of infections.

We also consider that with, a potential second wave to come, extending the current Decision is more
appropriate than having to draft a new one.

Best regards

Un abrazo
