### SHORT NOTES OF A MEETING

**Subject:** Meeting of Fernando Sampedro Marcos with Telefonica on 22/02/2020 on the Digital Agenda.

Rather protocolary meeting at the beginning of the mandate in agreement with Digital Adviser A. Whelan.

Remarks by the company representatives:

- Good cooperation with the European Parliament and the Commission; offer to be in contact on Digital Agenda issues when they come to the EP agenda.
- Welcome the new Commission structure as an opportunity for a more holistic approach to digital and industrial policy.
- Welcome placing “A Europe fit for the digital age” as a top EU priority in the Commission President’s Political Guidelines.
- Support a high level of ambition on 5G, Artificial Intelligence, technological sovereignty, a new industrial strategy and a new Digital Service Act.
