Subject: Antwerp@C

Dear Ms Nelen,

First of all, I want to thank you and all participants again for having the opportunity to raise our concern on the fragmented funding for our Antwerp@C CCS-project. We aligned to have a follow-up meeting, end November / beginning of December, to further discuss with you and your colleagues together with a delegation of the Antwerp@C-Consortium. Proposal for the agenda:

- Overview of Antwerp@C
- Feedback from Antwerp@C concerning the CEF- and IF-funding application procedures
- Discussion on a possible future approach to give more planning and funding perspective to big consortium projects

Could you give your suggestions on this approach so that we can start organizing this meeting ?

Thanks in advance for your feedback !
