**Subject:** Preparatory work for 2nd Meeting of sub-group of Animal Welfare Platform  
**Attachments:** iT11.mht; Contact Details as at 20 July 2018.docx; Note on prep work by WGs  
for second meeting of sub-group (3).pdf

Dear sub-group members

Please find attached a note from [REDACTED] on preparatory work for the next meeting of the sub-group and an associated file "iT11.mht". I have also attached updated contact details for the group membership. As you will see [REDACTED], Hungary and [REDACTED], Ireland have left the group and replacement delegates have to be appointed. In the meantime, **you should use the contact details as shown**. Also, [REDACTED], EFFAB has been replaced by [REDACTED] and her email is contained in the updated details. Please use these details, so that those who are no longer involved do not receive further communications.

The next meeting as you know is on the 17<sup>th</sup> October 2018. This will be organised using the new AGM system, which you will probably be familiar with from the platform itself. As I will have to start working on the preparation for the next meeting on my return from annual leave in mid-August, I would appreciate if you could let me know of any changes to the delegate list as soon as possible.

Regards and best wishes
