**Subject:** Possible meeting of MEP Dan Nica with ENER on TEN-E and PCI list

Dear [REDACTED],

Thank you for the kind talk over the phone just know!

As explained, I would like to inquire whether Mr Nica, as ITRE S&D coordinator, might be available for a meeting with our Head of Unit in DG Energy, [REDACTED], in charge of the TEN-E regulation and its revision, as well as the PCI list.

We know that the PCI list will face a vote on an objection on 22 January, and in view of the signals we got we would generally be optimistic about its outcome (so no objection). However, we know how important the topic of the PCI list and the TEN-E revision is for the EP so we would like to stay in close contact with all key players through all stages. Therefore, a meeting with Mr Nica for an exchange of views would be much appreciated.

In the short term, would Mr Nica be available e.g. on Mon 20 Jan in the early evening? (as of 17:00), or Tue 21 Jan (as of 16:30)? In the morning of 22 Jan before the vote could also be an option (but I think there is a coordinators meeting scheduled). [REDACTED] will in any case attend the vote on 22 Jan.

If this is not possible, would there be any other convenient dates for him next week or the week after?

Please do not hesitate to send us further questions in view of the PCI list if necessary.

Thank you very much - I look forward to your reply!

Have a nice weekend,

[REDACTED]
