Dear [REDACTED],

Thanks for your patience, it's really crazy days here, but for you as well I suppose... In order to better explain, would you maybe be available on Wednesday morning before the votes in ITRE? My colleague [REDACTED] from the respective unit and myself could come over to MM bar and explain the process a bit in more detail.

It is in fact a bit different to the process you know from other recent delegated acts, which is due to the legal base, but quite a few things have already happened also in view to the EP, and it might be good to have a common understanding (I learned about it in the last days myself actually).

Would e.g. Wednesday 9:30 would work for you?

Kind regards

[REDACTED]

Dear [REDACTED],

Thank you for your efforts. We would be grateful to know at least the calendar of the adoption of the DA, as we need to plan ITRE agenda well in advance (and so far we have not received anything through the formal channel for comitology: no calendar of expert meetings, no draft...).

Thanks!

Have a nice day,

Dear [REDACTED]  
Thank you very much for your message. We are aware of the request, which we would like to discuss with our hierarchy. Given the Strasbourg week, it's a bit tricky but we will come back to you as soon as possible. Many thanks for your understanding and kind regards
