Subject: 25th Anniversary of the Dayton Agreement

Dear [REDACTED],
Hope my email finds you well.
First, let me introduce myself: this is [REDACTED], deputy director for WB with the Italian MFA.
I am writing you under [REDACTED]'s suggestion, in order to submit to your attention the following.
Our Embassy in Sarajevo is organizing an event (please find, herewith attached, a draft program) to properly mark the 25th anniversary of the Dayton/Paris Accords.
We already got confirmation from the Bosnian Minister of Foreign Affairs, Turkovic, as well as from our Minister, Luigi di Maio: they will both participate with a pre-recorded video message.
Among other guests, we have also invited the Commissioner for Human Rights of the Council of Europe - and Bosnian national - Dunja Mijatovic, to take part in the event with the same modality.
It will be particularly important to us if H.E. the Commissioner Vårhelyi will accept to take part in the celebration with a personal video message of approximately 5 minutes.
Would you be so kind to help us in checking the availability and willingness of H.E. to intervene?
While thanking in advance for your co-operation in this matter, please do not hesitate to let me know whether you need any additional information regarding the subject.
With my kindest regards,
[REDACTED]
