Subject: Your application for access to documents relating to exchanges on online tracking techniques – Ref GestDem No 2013/5130 - extension of the deadline.

Dear Sir,

I refer to your e-mail dated 16/10/2013 in which you make a request for access to documents, registered on 17/10/2013 under the above mentioned reference number.

We are currently busy processing your request, but it will not be possible to complete the handling of your application within the time limit of 15 working days. Given the extensive nature of the request, more time is needed to enable us to go through documents and retrieve the relevant ones. In addition, some of the requested documents are likely to include personal information relating to third parties, who have to be consulted accordingly.

Therefore, please be informed that the time limit is extended with 15 additional working days, in accordance with Article 7(3) of Regulation (EC) No 1049/2001 regarding public access to documents.

Yours faithfully,

Paul Timmers
Director
