Dear Dr. Jelinek,

Re: EDPB TikTok Taskforce

I refer to the emails from the EDPB's secretariat dated 4 November 2020 and 30 November 2020.

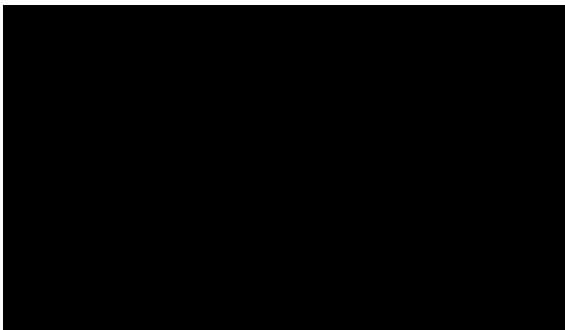

As indicated in our letters dated 15 June 2020 and 28 October 2020, we are keen to engage substantively with the EDPB to provide you with a more comprehensive overview of TikTok's processes and data protection practices. TikTok would be very happy to assist the EDPB taskforce on TikTok ("**EDPB Taskforce**") with such an overview and we await a response to our offer.

In the meantime, TikTok maintains that it is entitled to understand the details and workings of the taskforce and respectfully requests access to the following information under Regulation (EC) No 1049/2001, covering the period from 1 January 2020 to the date of the EDPB response to this letter:

- The rules that govern the proceedings of the EDPB's Taskforce on TikTok;
- Minutes of all meetings of the EDPB's Taskforce on TikTok; and
- Minutes of other EDPB meetings where TikTok was discussed.

I appreciate your cooperation with this request, and I continue to hope that the EDPB will engage with TikTok.

Yours sincerely,

TikTok Technology Limited
