Dear President

Please find attached a letter from our chair Elizabeth Law regarding the proposed Gender Pay Transparency Directive.

Northern Ireland Women's European Platform is a membership organisation in the women's sector in Northern Ireland, established to act as the Northern Ireland coordination to the European Women's Lobby. We work to make the voice of women in Northern Ireland heard at the European level, working with our member and partner organisations to ensure evidence from local women is shared.

We urge the Commission to commit to a Gender Pay Transparency directive; it is imperative that action on the gender pay gap is taken, particularly at a time when women's contribution is at the forefront of providing services during the COVID-19 crisis. We would be pleased to expand on any of the points in the letter, should that be helpful.

Yours sincerely
