(+) Good structured approach to PMO for a very large scale project with very good coverage of the issues at stake (very clear elaboration of key services to be provided under Lot 1). (+) Good understanding of relevant issues the ECB will deal with in the months to come (based on past projects, key risks to be managed by PMO team elaborated upon). (+) Good expertise and reach out to provide benchmarking information and best practices. (+) Good market intelligence in areas of the ECB's interest for this project, plus potential handover of reusable tools to the ECB for future exercises. (+) Good elaboration of NCAs role in the PMO (-) Foreseen timing September-March too optimistic.	[Redacted]	(+) [Redacted] (-) [Redacted] (-) [Redacted] (-) [Redacted] (-) [Redacted]

(+) Relevant experience from partners and strong fit as sparring partners with senior stakeholders within the ECB; however not all CVs for all roles have been provided in the proposal.
