

probably already too late in the year to wish a happy new year, but I'll do so anyway!

As you might have seen, [REDACTED] today wrote to Vice President Timmermans, following up on the discussion [REDACTED] in November. If you would like to get some background, in particular on the roles of the Airline Coordination Platform (ACP) and A4E where issues of international competitiveness are concerned, we would be happy have a call to elaborate. At the same time, [REDACTED] we were very much impressed and relieved to hear that this issue in general was very much recognized by the Vice President.

Happy to talk and provide input at any time.
