Dear [REDACTED]

I thank you kindly for your reply.

I hereby confirm on behalf of [REDACTED] the proposed date for the video call on 5 February from 10:00-10:30. We very much look forward to the meeting with Ms. Hiesinger.

Should we organize the video call ourselves and send Ms. Hiesinger the invitation with the video link or would you prefer to coordinate the process?

I thank you kindly in advance.

Kind regards and lep pozdrav,

Subject: AW: Meeting with the CEO Stephan Sharma from Energie Burgenland

Dear Mr. Maggi,

I would like to follow-up on my e-mail below regarding the meeting with the [REDACTED].

He would be pleased to present you the project "*Zukunftsplattform*", the platform that will translate the Green Deal vision in the area of energy into practice in the Austrian region of Burgenland. As it will enable green transition, the project has high potential of being one of the main enablers of the economic recovery in Austria after the COVID-19 pandemic.

We highly appreciate your work in the Executive-Vice President's Cabinet and we would be honored to hold an exchange with you and receive your valuable input. Would you be available for a brief videocall in the next week(s)?

I thank you kindly in advance for your reply.

Sincerely,

[REDACTED]

Betreff: Request for a Meeting with the [REDACTED]
Energie Burgenland

Dear Mr. Maggi,

I hope this e-mail finds you well in these unprecedented times.

On the advice and recommendation of your colleague from the cabinet, Mr. Daniel Mes, it is my pleasure to be able to get in contact with you and to inform you about the future-oriented green project of our partners from Energie Burgenland.

As the largest energy company in the Austrian easternmost region, Energie Burgenland is currently working on a project named "*Zukunftsplattform*", whose vision is to make Burgenland a leading sustainable business location and the first region in Europe to translate the Clean Energy Package as well as Green Deal provisions into reality. The platform aims to connect citizens, companies and political stakeholders in the form of a digital platform and enable the restructuring of the economic and energy system (including *inter alia* renewable energies, hydrogen, e-mobility) in a participative manner. Since we believe that projects such as ours will give a significant contribution to the EU recovery after the COVID-19 pandemic, we would be honored if the [REDACTED]

could be given the opportunity to briefly present the project to you. As the budget and economic expert in charge of mainstreaming the Green Deal in the recovery response in the Executive Vice-President's Cabinet,

we hope that you will recognize the importance of the project for the post-pandemic recovery endeavors. We can gladly arrange the brief videocall in this or the next week(s) according to your availabilities.

We very much appreciate your help and we thank you in advance for your reply.

Sincerely,
