Dear [REDACTED],

I hope this email finds you well.

I am writing on behalf of Global Citizen, the International Chamber of Commerce and the Pandemic Action Network with a letter for the President's attention.

We would be grateful if you would communicate our thanks for the President's continued leadership on Access to COVID Tools Accelerator, and pass on the attached a letter addressed to the President in advance of the G20 Summit.

Please note that the policy document on pandemic preparedness referred to in the letter can be found [here](#).

We are looking forward to being in touch with the President and her team on ACT-A, pandemic prevention and preparedness and related issues related to the G20 summit as well as the Global Health Summit and other shared areas of interest.

Thanks for your time and consideration and we look forward to hearing from you.

Very best wishes,

[REDACTED]
