

# FISMA/11339 - Invitation to a panel discussion on Green Bonds

## Meeting date and place

Meeting held on 03/03/2021 10:00

## Participating organisation(s) representative(s)

 Zwizek Pracodawców Business & Science Poland **Requester**

## Main issues discussed

The panel focused on the role of green bonds for Poland's energy and sustainability transition. The representative from the Commission presented the Commission's ongoing work on a European green bond standard proposal, focusing in particular on the Commission's approach of a voluntary standard based on market best practice, which is intended to facilitate the transition of issuers towards more sustainable business models.
