Subject: FW: Sustainable Finance Taxonomy – meeting request from CEOs of Swedish forest industries

Dear Mr Canton,

Following brief interaction with your office this morning, I wanted to extend the below meeting request to you on behalf of our client, the Swedish Forest Industries Federation.

[REDACTED] Holmen Group, one of Sweden's largest forest-based industry groups, has requested if it would be possible to organize a virtual discussion with you in the context of the Commission's draft delegated acts under the Taxonomy Regulation. [REDACTED] the Swedish Forest Industries Federation.

As you are aware, Europe's taxonomy framework is an important milestone in ensuring the development of a climate-neutral economy – within which forest-based industries can play a significant role. In this context, he would appreciate the opportunity to exchange views on the delegated acts - either by video- or audio-conference (which we could set-up).

We very much hope a meeting could be possible, and look forward to exploring a date which is convenient over the coming days.

We remain at your disposal for further information that you may require.

With kind regards,

[REDACTED]
