Subject: Meeting with ELTI [REDACTED]

Dear Mr. Canton,

The European Association of Long-Term Investors (ELTI) comprises 31 members, mainly National Promotional Banks and Institutions (NPBIs) such as the German KfW or the French Caisse des Dépôts et Consignations (CDC) from 21 EU Member States and Turkey. The EIB is a permanent observer of ELTI.

Our members made significant contributions to the development of the Sustainable Finance action plan and the EU Taxonomy by i.e. sending experts to the High-Level Expert Group and the Technical Expert Group in order to provide their expertise. In 2019 our members committed more

than € 40 bn to finance sustainable projects.

We would like to meet with you (virtually) and discuss the implementation of the EU Taxonomy based on the experience on the ground and the feedback of our members. Please find attached a summary of our remarks.

[REDACTED] will participate in the meeting.

We would highly appreciate a meeting the week before or after Easter or as soon as it fits into your agenda.

Thank you very much.

Take care and kind regards
