Dear [REDACTED],

Many thanks for your response; we will add you to the participants list and send you the connection details in the coming days.

Best regards,

[REDACTED]

Subject: INVITATION: Webinar launch of Hydrogen4EU study, 4 May @14:00

Dear [REDACTED]

The release of the EU Hydrogen Strategy in July 2020 set in motion a series of initiatives aiming to boost the EU's competitiveness in this field. With that in mind, **Hydrogen4EU is launching a comprehensive study conducted by Deloitte, IFPEN and SINTEF** that explores pathways to unlock the potential of low-carbon and renewable hydrogen to contribute to the European energy transition.

We would like to invite you to an online briefing on **Tuesday 04 May at 14:00** with [REDACTED] [REDACTED] Deloitte, to discuss the study. This study assesses the contribution of hydrogen to the EU's goal of net zero emissions by 2050, in particular the most effective mix of hydrogen technologies to be deployed across different geographies and sectors in Europe (power, transport, industry), considering factors such as cost, speed and feasibility. For your information, Hydrogen4EU is a 17-member, cross-sectoral and multi-disciplinary research project. For more information please visit our website: <http://www.hydrogen4eu.com/>

Please let me know **by Friday 30** April if you'd like to attend this webinar (**by return email**). If you have any colleagues within your organisation which this webinar would be of interest to, please also feel free to share this invitation.

Kind regards,

[REDACTED] (on behalf of Hydrogen4EU)
