Subject: TR: Meeting with Solar associations CEO about NECPs

Dear [REDACTED],

Following our discussion on the phone, you will find below my email to Mrs. [REDACTED] concerning our request for a meeting with Mr. Cañete.

As discussed with you, I wanted to know whether you already had some possible dates for a meeting with Mr. Cañete in Brussels or in Madrid between March and mid-May, depending on his availabilities and planned trips. As we have a meeting with our National Associations' [REDACTED] tomorrow, I would be happy to present it to our members to see what is possible for them.

Please let me know should you need additional information,
Best regards,

[REDACTED]

Objet : Meeting with Solar associations CEO about NECPs

Dear [REDACTED],

SolarPower Europe is currently coordinating with its national Solar associations to make an assessment of the National Energy and Climate Plans.

We would be very interested to organise a meeting with our national Solar associations CEOs and Commissioner Cañete. It would for them be a unique opportunity to share their assessment of the plans and

perspective for the energy and climate policy with the Commissionner. Such a meeting could be organised at Mr. Cañete's convenience in Brussels or Madrid.

Would Mr. Cañete be interested by such a meeting? If yes, would you see any date opportunities for such a meeting?

Best regards,
