Dear Madame,

Thank you very much for sharing your material with me. I will read it with interest and it will inform our reflections on the forthcoming policy package. Unfortunately, due to the very intensive work period leading up to it, I am not in a position to meet you. I will however not hesitate to come back to you should I have further questions.

Best Regards,

Dear Ms Chapuis, Dear M. Maggi,

I am contacting you regarding the letter (attached) we sent you a few weeks ago on behalf of forest owners and managers, about the ongoing discussion on bioenergy.

We would be very pleased if we could meet with you to further discuss this letter and as well as the ongoing Commission's work on revision of RED III

I thank you very much in advance for your reply

Best Regards,

Fanny-Pomme Langue
