

Final

(International Transfers Expert Subgroup) meeting

15 - 16 October 2019, Brussels

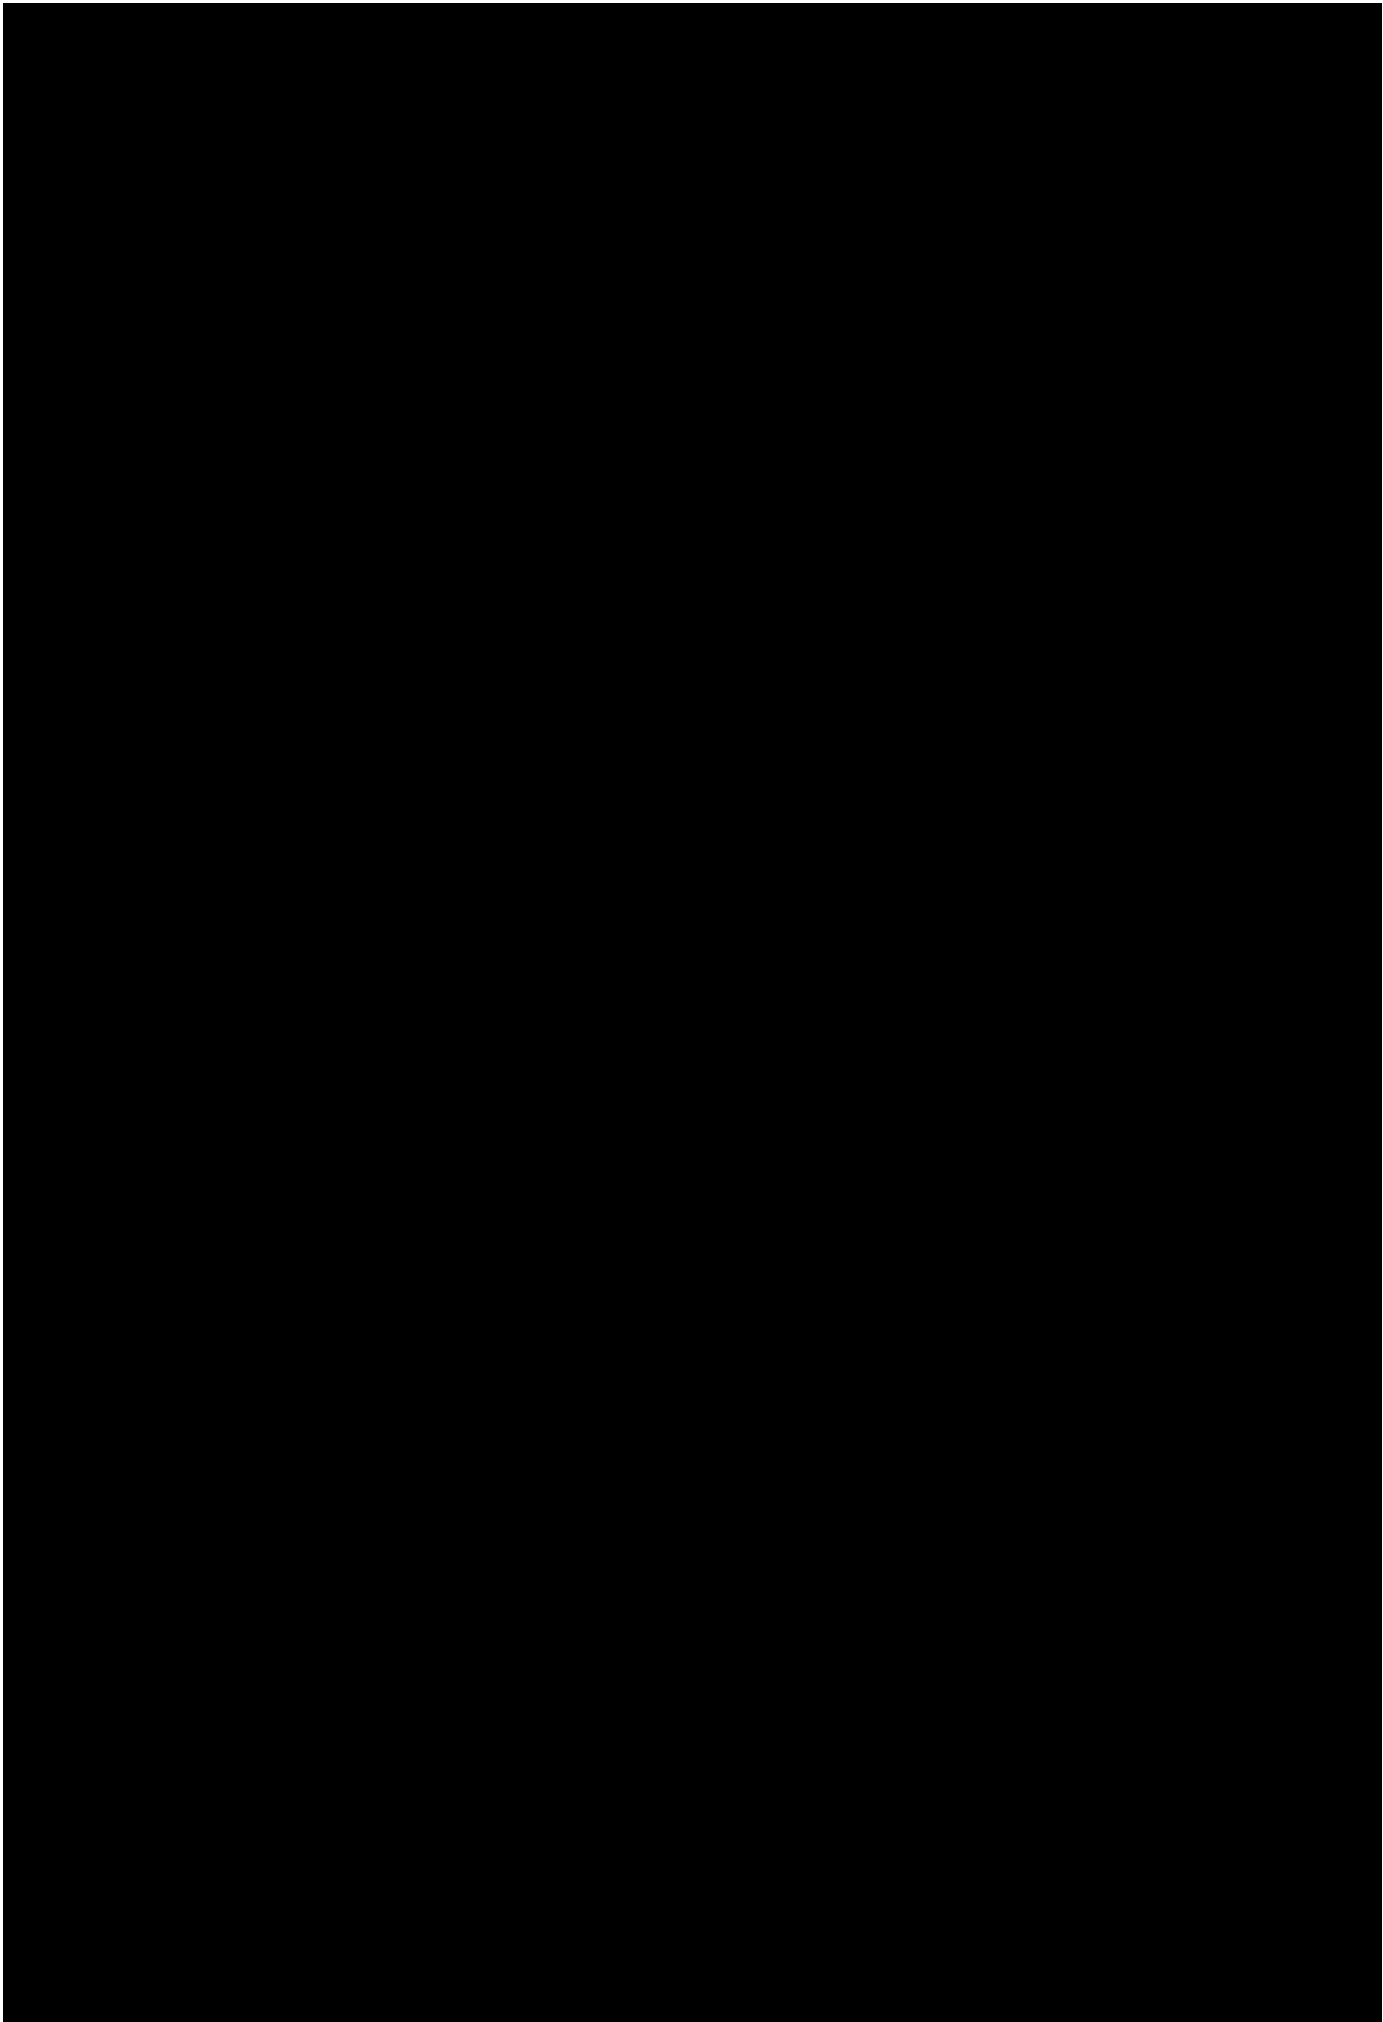

#### 4. Guidelines on Article 46 of the GDPR

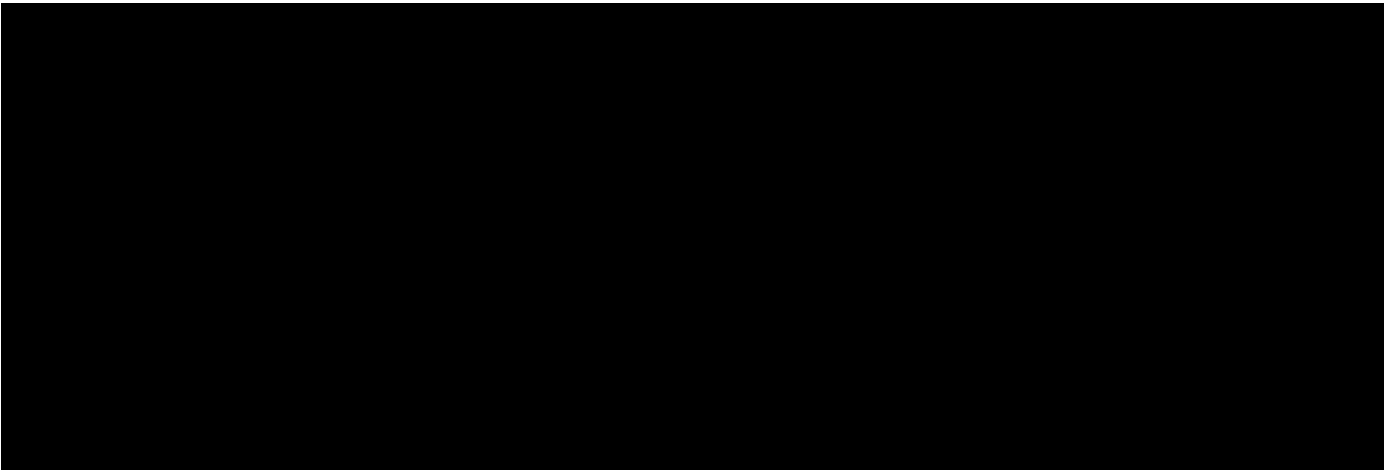

The rapporteurs explain the state of play of the draft. The members of the ESG discuss specific open issues.

On data subjects' rights, the members of the ESG agree that wording similar to article 19 GDPR should not be required, as it is also not included in the BCR referential. The ESG members agree to add language which is similar to that suggested for the PCAOB agreements. Next steps:

- Written contributions from ESG members requested by 25th of October;
- Rapporteurs provide a new draft for the next meeting.

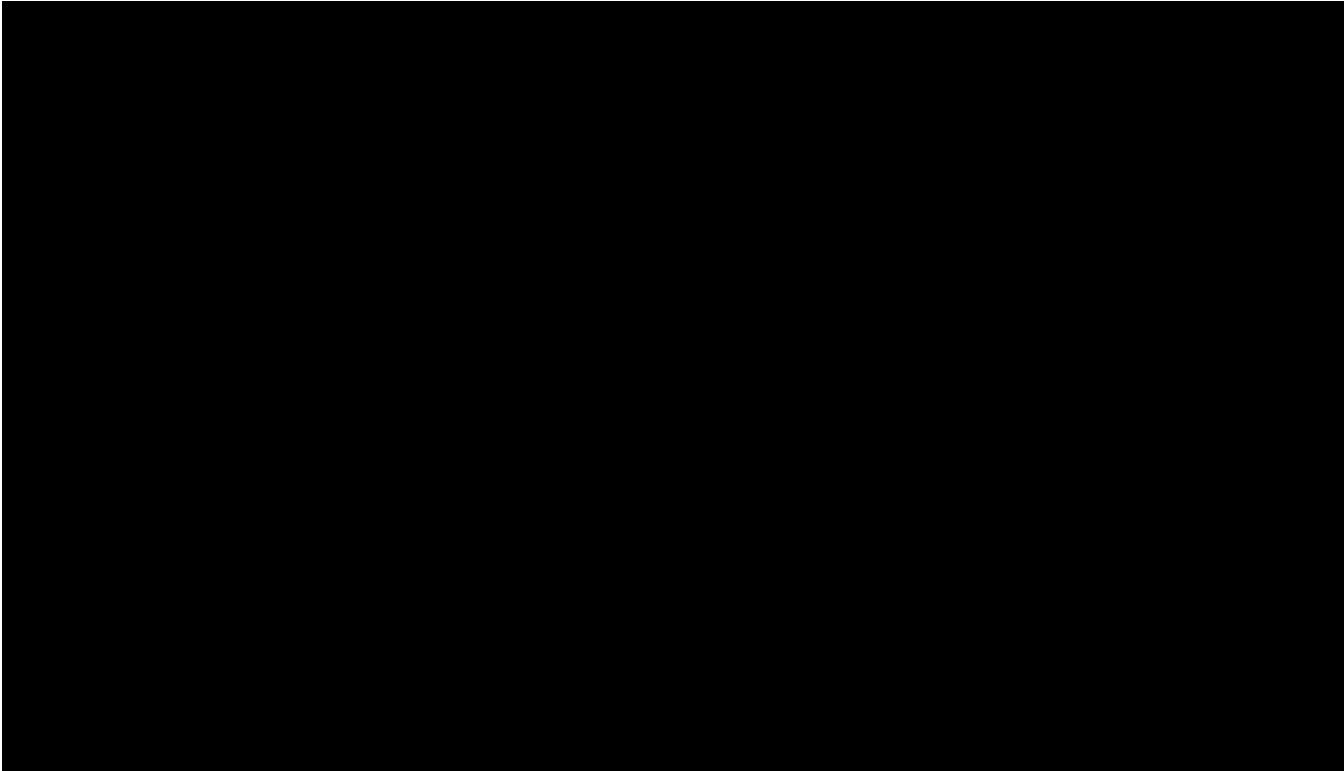

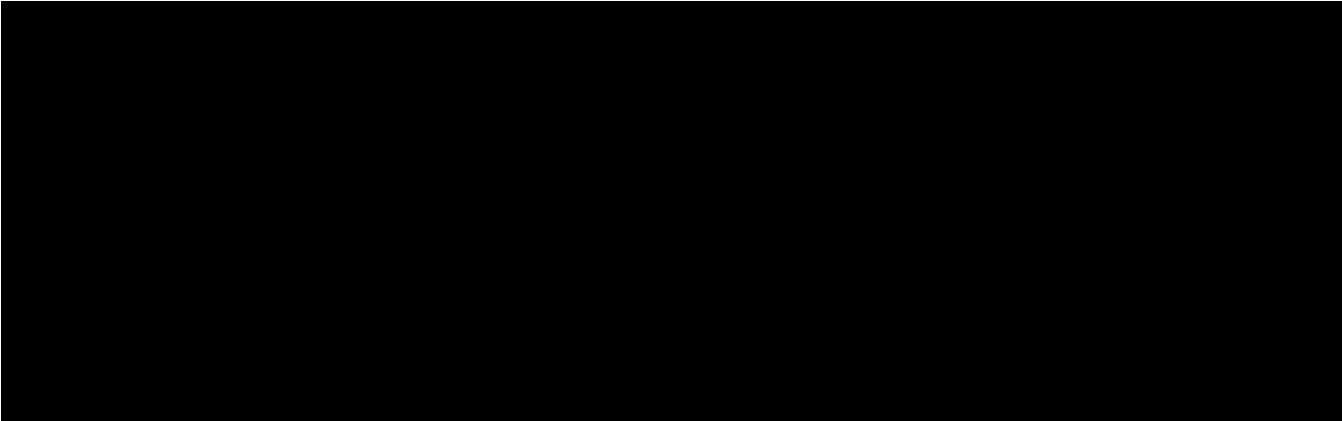

To-do/Next steps

The next ITS ESG meeting is on 10 and 11 December.

Article 46 guidelines	Subgroup and rapporteurs	Members to provide comments in the next 10 days by the <b>25th of October</b> . Then the rapporteurs will prepare a new version of the outline for the December meeting.	25 October 2019
