Subject: Your request for access to documents (our ref. GESTDEM: 2021/5936)

Dear Ms Indiano,

Thank you very much for your original e-mail dated 7 October 2021, in which you make a request for access to documents, registered under the above mentioned reference number and your email dated 8 November 2021, in which you kindly agreed to a reduction of the original scope of your request.

Your amended request is as follows:

“I will narrow down the scope of my investigation from 12 October 2020 to 7 October 2021 for the list of meetings and/or calls held by DG FISMA and Members of Commissioner McGuinness’s Cabinet based on the search keywords “hydrogen vehicles” and/or “electric vehicles” and/or “batteries” and/or “hydrogen”.”

After a careful search, we have identified one meeting falling within the scope of your access to documents request. This meeting, between Commissioner McGuinness and Blue Yard Ltd, took place on 10 June 2021 via video conferencing.

Please note that, more recently and outside the initial scope of your request, there was another meeting between Ms McGuinness’s Cabinet (Ms Katherine Power and Mr Peter

Power) with Energy Co-operatives Ireland Ltd on 9 December 2021. The topic of that meeting was offshore wind and hydrogen energy development project, Valentia Island.

In the event that you would like access to the minutes of the aforementioned meetings, we kindly ask you to launch another access to documents request.

We are further also pleased to give you the link to Commissioner McGuinness' public agenda: https://ec.europa.eu/commission/commissioners/2019-2024/mcguinness_en#transparency.
