Dear Sir,

With reference to point (57) of the decision on SA.31722 – Hungary – Supporting the Hungarian sport sector via tax benefit scheme, I would like to inform you that due to the fact that the approval of the Commission supporting of professional sport clubs was received after the final deadline for submitting development plan for the season 2011/2012, in the season 2011/2012 no aid was granted which would fall under the referred reporting obligation.

Kind regards,
