Objet: Follow-up of exchange between Commissioner Breton and [REDACTED]

Dear Mr Moutarlier,

Commissioner Breton agreed on Monday at his exchange with [REDACTED] of the energy intensive industries to the proposal [REDACTED] EUROFER, to set up very soon meetings with individual sectors considered for the first wave of CBAM, in order to have a more detailed discussion on the implications of the various options on the table, sufficiently before a final decision is taken by the Commission.

I therefore suggest to set up such meeting with the cabinet, DG GROW, [REDACTED] and a small number of selected steel company experts at your earliest convenience, ideally in the week of 12 April or the week thereafter.

Thanks a lot for your kind consideration of this request.

Yours sincerely,

[REDACTED]
