Subject: Your application for access to documents – GESTDEM 2022_0201

Ref.: Ares(2022)200902

Dear Ms Logtenberg-Lamers,

We refer to your request dated 09/01/2022 in which you made a request for access to documents, registered on 12/01/2022 under the above mentioned reference number. Your application concerns the following document:

- All reports and communication between the Netherlands and the European Commission in 2021, about the conditions off the derogation for 2022. As well as the letter or other information with which the European Commission has informed the Netherlands minister or officials that the Netherlands is not on the agenda for the Nitrate Committee on 15 December 2021.

Your application is currently being handled. However, we would not be in a position to complete the handling of your application within the time limit of 15 working days, which expires on 2nd of February 2022.

Given that the part of documents requested originate from third parts (Dutch authorities), which has to be consulted, we have to extend the time limit with 15 working days in accordance with Article 7(3) of Regulation (EC) No 1049/2001 regarding public access to documents. The new time limit expires on 23 of February 2021. We apologies for this delay and for any inconvenience this may cause.

Yours faithfully,

(e-signed)
