Subject: GESTDEM 2013/6124 – Access to document request

Dear Mr Ongil,

Thank you for your email of 20 December 2013 by which you reverted to our email answer of 19 December 2013 in relation to your 5 December 2013 request to access to documents in accordance with Regulation (EC) N° 1049/2001¹ regarding public access to European Parliament, Council and Commission documents.

Your application will be dealt with as quickly as possible. By the same token, please note that these cases present the exceptional feature that the proceedings against some parties in these cases are still pending and any disclosure of the 4 December 2013 decisions to any party that is not a party to the Commission's proceedings could be prejudicial to the Commission's on-going proceedings.

Due to the intervening public holidays, a 15 working-day extension will be applied before you receive a reply. We apologise for this delay.

Yours sincerely,

Glykeria Demataki
Deputy Head of Unit
