

Meeting between Commissioner Simson and the US Chamber of Commerce

The meeting between the Commissioner Simson and the representatives of the US Chamber of Commerce took place on 7 February 2022 at the occasion of Commissioner's visit to the United States for the 9th EU-U.S. Energy Council taking place on the same day.

The meeting was chaired by Marjorie Chorlins, Senior Vice President for European Affairs and gathered representatives from the following companies: AES, Honeywell, NextEra, Siemens Energy, Westinghouse Electric Company Baker Hughes, Chevron, ConocoPhillips, DHL Americas, ExxonMobil, GE Power, Google, Morgan Stanley, Sempra LNG, UPS, Venture Global LNG.

In the meeting, Commissioner Simson explained the reason of her visit, the current state of EU-U.S. energy cooperation as well as outlined the latest EU energy policy developments. The representatives of the companies made proposals for considerations for possible further cooperation opportunities between the EU and United States in the field of energy: such as cooperation on CCUS technologies, SMR, methane emissions and LNG.
