Dear [redacted]

Sure - that sounds good! Should we just use the link of the event itself and connect ten minutes before the call or will you send me a separate calendar invite for the test? Any of those work really.

Thank you,

[redacted]

Dear [redacted]

Would we rather not intend to connect 10 minutes before the meeting starts ?

Wish you a good week!

Hi [redacted]

Sure thing - happy to run a test with you. What about next Tuesday between 10-11am or Wednesday between 13:30-14:30?
Feel free to suggest alternative slots if those that I suggested don't work for you.

Thank you,

One extra request about this meeting. Could we plan a test before the meeting takes place to verify there are no problems with the TEAMS connection ?

Thanks a lot !

For now I added all emails you sent and will see how many participants will confirm on our side and we still can re-adjust if needed to have some balance in presences.

Wish you a great end of week !

Dear [redacted]

I will block the slot on our side for 9 March at 10.00 and will send a Teams link once colleagues from the Secretariat General have confirmed their attendance as well.

Would you kindly already communicate the email addresses of participants from you side as suggested ?

Many thanks again and wish you as well a great day !

Dear [redacted]

Thank you very much for your positive reply - we look forward to speaking with [redacted] I'd like to confirm that Wednesday morning, March 9 is perfect for us. We could start at 10:00 or 10:30 - whatever you'd suggest.

Do you have any preference in terms of the VC platform? We could set up a Google Hangouts call and invite all participants. If you prefer Webex or any other platform, I could send you email addresses of participants on our end.

Thanks again and wishing you a nice day,
