Subject: EMMA and ENPA meeting request on the Digital Markets Act (DMA)/Digital Services Act (DSA)

Dear Christine, Penelope and Werner,

I hope that you are well and had a nice summer break despite the heavy political agenda.
I am reaching out to you because I would like to ask you for a short meeting to exchange with us on the state of play of the DMA/DSA files as the Slovenian presidency is pursuing negotiations in parallel to the PP process moving forward. We would be happy to provide you with our perspective regarding the progress made so far on the side of the two institutions.

I thank you in advance for taking into account our request.

Best regards,

EMMA & ENPA
