Dear [REDACTED]  
Thank you for your call and flexibility on finding a suitable date for this meeting. As agreed together with [REDACTED] we blocked 29/11, 11:00-12:00 in EVP's agenda and we stay in touch closer to the date to see if a meeting in BERL is possible, otherwise we transform it into a virtual one.  
Let's discuss again in late October/early November on all the practicalities including a preparatory meeting with Werner.  
Have a lovely summer break!  
Kind regards,  
[REDACTED]

Dear [REDACTED]

Lovely talking to you and your colleague earlier on. A short note to confirm the result of our conversation, whereby the new agreed slot is 29 November from 11-12. We are basing ourselves on a physical meeting in the Berlaymont with the caveat that it may be transformed into a video-conference.  
Naturally will keep you posted on meeting participants as we get input from CEO offices and will be in touch with Werner on having a short prep meeting in early November to make sure we have all issues covered etc.  
Wishing you a great evening and do let us know if somehow I have missed something.  
All the best,

***Our internal reference to your request: Ares(2021)3542896***

Dear [REDACTED]  
On behalf of Executive Vice-President Margrethe Vestager, I would like to thank you for the meeting request with more CEOs members of ACTE that you have kindly sent to her attention. I have the pleasure to confirm EVP's availability to discuss as proposed below. Unfortunately on 25 of November Mrs Vestager has planned already a mission out of Brussels therefore a meeting in person is not possible. After checking internally, we would be able to offer 26/11, 15:00-16:00 as an option.  
I would appreciate you letting us know at your earliest convenience if this dates is suitable for you.

Should you have further questions, please do not hesitate to contact me.

With kind regards,

European Commission

DSA/DMA

Dear Werner,

Been a long time! Hope you are well.

We would indeed be interested to discuss DSA and DMA (as we had in last year's meeting). I do think that we would touch on e-privacy and digital levy if time allows. In terms of participation it is very much the objective to gather a good delegation of member CEOs as we did last year (and year before that!). Generally the earlier we can confirm a date in the agenda, the greater the chance of booking CEO agendas. Hence the pre-summer exchange.

I hope that makes sense and happy to send you anything or have a quick chat if useful.

Again many thanks to you and team for looking into this.

All the best,

Dear [REDACTED]

As I am in charge of this meeting request, I'd appreciate if you could share a bit more information about the proposed event:

First, in terms of topics, would you like to focus on DSA and DMA, or would you also have other topics in mind?

Second, in terms of participation and format: The plan is that (some/all?) of your member CEOs would participate?

Many thanks in advance!

Kind regards

Werner

**Subject:** ACT request for CEO/EVP meeting in November, positions on DSA/DMA

Dear [REDACTED]

**Subject: ACT request for CEO/EVP meeting in November, positions on DSA/DMA**

I hope this finds you well and that, despite the tough times, spirits are still high and good.

Reaching out to already share with you our request for meeting with the EVP in November 25 as part of our annual CEO/EC Commissioner meets. The leadership very much appreciated the last exchange and we would like to continue this fruitful annual discussion. Of course flexible on timing/logistics but hopefully advance notice helps. We hope to hold these in person but for now we are tabling on videoconferencing (just to be on the safe side).

It's also an opportunity for me to share our position paper on the two flagship files – DMA & DSA – which I expect will be top of the agenda for a meeting in November. I'm sharing the version for policy-makers which is rather long. However I hope that you find the executive summaries suitably succinct to give you an idea of where we stand. We also are working with media organisations on both to adopt joint views – the attached for example was just put out this week focused on/ welcoming the DMA with some suggestions.

Should you want to discuss with us and our members on these files or other issues beforehand we're very happy to engage. Thanks for your kind consideration of the request to meet and other materials herein. Should you require a more formal letter of request for meeting I am very happy to provide one.

Wishing you and team a great day and weekend ahead. Looking forward to being in touch.

Best,
