Subject: Your letter on the impact of covid-19 on airlines and slot allocation

Dear

I refer to your letter of 5 March 2020 on the impact of covid-19 on slot allocation.

The current crisis is having a major impact on the European and international aviation industry and the situation is deteriorating on a daily basis. In order to ease the impact of the outbreak, the Commission reacted very quickly and put forward a legislative proposal on 13 March to temporarily alleviate airlines from the "use-it-or-lose-it" rule on slot allocation.

The proposal has now gone to the European Parliament and the Council of the EU, and we expect a very quick adoption, followed by an entry into force of the slot waiver.

Yours sincerely,
