Subject: Request for a meeting / Mission entrusted by French Minister Bruno Le Maire to

Dear Sir,

Bruno Le Maire, French Minister of the Economy and Finance, has entrusted Amundi and Paris Europlace, with the mission to coordinate the French financial sector in their alignment with the Paris Agreement. This mission follows the Minister’s speech at the Paris Climate Finance Day on 26 October 2021, during which he encouraged all financial players in the Paris marketplace to commit to a pathway out of coal and non-conventional oil financing, in line with the Paris Agreement, and beyond that to commit to a trajectory towards reducing the carbon intensity of portfolios and companies. The Minister would like this trajectory to be objective, measurable and transparent, accompanied by a gradual and binding timetable.

As part of his mission, Amundi would be honored to exchange with you to benefit from your strong experience and analysis of the subject.

The report being due by the end of February 2022, would you be available for a one-hour meeting with Amundi? We could for example suggest January 17th at 9am; January 24th at 4.30pm; January 26th at 3pm or January 28th between 10.30am and 12.30pm.

The press release announcing the mission is enclosed to this email (only available in French though, our apologies for this, but this email summarizes the key messages).

Please don’t hesitate to contact me should you have any question.

Yours sincerely,

Amundi
