

## Note of Video Call with Huawei, 16 March 2022

### Participants:

*Huawei:* [REDACTED]

*Commission: Kim Jørgensen, Alejandro Cainzos, Pierre-Arnaud Proux (Executive Vice President Vestager's Cabinet); [REDACTED] (SG D1)*

The call took place at the request of Huawei, to discuss the Commission's initiatives to strengthen European capabilities in the semiconductor industry and developments in the mobile sector.

Areas covered in the discussion included Huawei's commitment to invest into digital technologies as part of its globalisation strategy and its approach to tackling the challenges of climate change, the Commission's recent proposals for a Data Act and a Chips Act and developments in the area of standardisation policy, following the Commission's recent communication on An EU Strategy on Standardisation.
