Dear [REDACTED],

Many thanks for your message. Apologies for not being able to reply in time. You must have seen in the press what we are working on as crisis proposal, so very hectic times...  
Looking forward to the next opportunity.

Best regards,

Dear Ms Sikow,

I hope my email finds you well. As our Patrizia Rutigliano (EVP Institutional Affairs, ESG & Sustainability, Communication & Marketing for Snam) will be in Brussels on September 5<sup>th</sup> and 6<sup>th</sup> I would take the opportunity to verify your availability for a meeting, she would be really keen to meeting you as to provide an update on the most recent and relevant developments that see Snam involved both on the dimension of security of supply and for the energy transition.

Should you have any availability on Monday 5<sup>th</sup> between 15:00 and 18:00 or on Tuesday 6<sup>th</sup> between lunch time (lunch being an option) and 15:00 we would be more than happy to meet you and any of the colleagues of your unit you may wish to involve – perhaps Kitty and/or Joachim?

Thank you very much in advance,  
Best,
