Subject: Meeting WKÖ

Meeting w/ Markus Stock, Head of EU office WKÖ
5 November 2013, 16h00 – 16h30

Mr Stock informed me again about WKÖ's wish to have clearer indications ref. the categories in the TR who has profit orientation and who has not.

He explained WKÖ's particularities and that they are a public body and have been entrusted with a specific mission. He also informed me in general about the AT social partners pro-European work.
