**Subject: Your letter dated 12 February 2013 - EU Citizens Project:
presentation of the results of a TNS opinion public survey on
transparency and ethics**

Dear Ms Komoch,

Thank you for your letter, dated 12 February 2013, addressed to the Secretary General and other officials of the European Commission on behalf of the EU Citizen Project Partners and the Austrian Federal Chamber of Labour.

The survey commissioned by EU Citizen Project Partners will usefully supplement the opinions expressed by stakeholders during the public consultation, helping the review process foreseen by the Inter-institutional agreement on the Transparency Register.

Yours sincerely,

Hubert Sztaszewski
