Dear [personal data]

Thank you for the swift notification.

As regards the name of the representative, although the PD will not be published on our website, internally for future reference we are collecting it. Therefore could you please let me know who is the Head of Strategy at Airbus?

Also, in order to update the TR as accurate as possible, kindly confirm if Airbus Poland S.A. (former PZL Warszawa-Okecie) is the company in scope.

Thank you so much again and kind regards,
[personal data]

Dear [personal data]

I would like to report this meeting to the transparency register. AIRBUS is of course one of our vendors we currently employ but discussions were related not only to current contracts but also touched upon potential developments in the future. The Head of Strategy for secure COM was present at the presentation meeting.

If I have forgotten anything please write back to me. (I guess we do not need to report the names from what I see on our website only functions)
