Dear Mr Mes,

Many apologies for my delay in responding to your email. Unfortunately Marie-Caroline Laurent our Director General has tested positive for COVID so is in quarantine. Her presentation tomorrow will be given instead by Dud Darr, the Chair of our Government Affairs Committee and the Executive Vice President, Maritime Policy and Government Affairs at MSC Group. I have attached his presentation and that of Christophe Tytgat from Sea Europe for your information.

If you can give a brief update on the Fit for 55 Package and its importance to everyone to decarbonize Europe that would be great.

I look forward to meeting you tomorrow.

Kind regards

[REDACTED]
