Subject: SolarPower Europe - Solar CEO meeting - 30th March - practical details

Dear Commissioner Simson,

We are very much looking forward to the exchange with you and a distinguished group of CEOs of Europe's major solar companies. Scaling up solar has never been as topical as in times of war and soaring energy prices and we will be happy to share with you how the industry can help achieve becoming independent from fossil imports.

Please find enclosed the final list of participants.

As a reminder, the practical details:

Timing: 14:00 – 15:00h
Location: Hotel Dominican, Rue Leopold 9, 1000 Brussels

Before we are starting the exchange, we would like to take 5 min for a photo moment where we would like to officially hand over our input to the solar strategy. I hope this is fine with you.

Should you have any questions, please do not hesitate to contact me.

Kind regards,
Walburga Hemetsberger
