Subject: follow-up to EC-Google conversation on DMA

Dear [REDACTED]

Thank you very much for taking the time last week to discuss key policy files with Google's Chief Legal Officer - [REDACTED]

As promised during our chat, attached you'll find our thoughts on (1) the EC non-paper on art. 5a/ 6.1.aa combo text and (2) x-product data combinations in general where we discuss some possible ideas for compliance with this provision.

We hope these can be useful for your DMA work going forward. Please kindly let us know if you have any questions or comments. We're more than happy to engage with you to provide further clarifications as required.

Thank you and best regards,
[REDACTED]
