Dear Mr Kotkamp,

The Agency refers to your request for public access to documents which was registered under the reference number PAD 12/2022 on 16 June 2022.

In order to facilitate the processing of your request, the Agency has decided to divide it into two (2) parts, in accordance with the points of the your initial email, as follows:

- **Part I:** *“Any communication, including annexes, between eu-LISA departments in the various member states in the European Union and ENISA, since the start of the year 2015 concerning cyberattacks to eu-LISA systems. This could include but is not limited to, e-mails, text messages, basis documents, memos or drafts, and evaluation reports.”;*
- **Part II:** *“Any documentation transmitted internally within eu-LISA since the start of the year 2015 detailing information on cyber attacks, cyber threats, weaknesses of cybersecurity systems, across eu-LISA operations.”.*

Please note that the Part I of your request is currently being assessed.

Regarding Part II of your request, the Agency would like to inform you that your request is very generic and, at this stage, the Agency is unable to identify the documents requested.

In order to process the Part II of your request and in accordance with Article 6(2) of the Regulation (EC) No 1049/2001, you are invited to provide more detailed information on the documents which you would like to have access to. In particular, the Agency invites you to specify to which type of documents (e.g. reports) **and** for which time period you would like to have access. Furthermore, in order to better understand the scope of the Part II of your request and facilitate its processing, it would be most helpful if you could offer some additional input to clarify which type of information you expect in the domain of eu-LISA's cyber security risk management and operations.

The Agency invites you to clarify your request **by 12 July 2022 eob.**

Please note that, as set out in the Article 6(4) of the Decision No 2022-090 of the Management Board of eu-LISA, the deadline for replying to the Part II your request will run only from the time the Agency has acknowledged receipt of your clarification reply.

In the absence of response within this timeframe, the Part II of your request will be considered as closed and it will not be further processed.

Thank you for your understanding.

Best regards,
PAD team
